ACKNOWLEDGEMENTS

A Message from the OCC Foundation Chair

I'm excited to welcome you back to the Scholarship Luncheon! Not only is today a celebration of the power and impact of OCC Foundation scholarships; it is a celebration of you - our generous scholarship donors and deserving student recipients.

Over the past year, our supporters have created 21 new scholarships: 10 endowed and 11 annual. Foundation scholarships enable our students to excel in their classes, to graduate or transfer, and to find meaningful and fulfilling careers. Without your help, we would not be able to empower OCC students to make their education accessible, goals obtainable, and dreams possible. Thank you to all of our scholarship donors for their incredible support.

Meanwhile, the Foundation has awarded over 750 scholarships to deserving students during the 2022-23 academic year, providing nearly \$450,000 in direct financial support to students. Congratulations to every student who applied and was awarded a scholarship this year! Thank you for allowing us to be a part of your educational journey - and for expressing your sincere appreciation to the donors who have supported you along the way.

Within this program, you will find lists of the scholarships active in academic year 2021-22 and their benefactors and recipients. In addition, we have included a list of our Legacy Society members - donors who have named the OCC Foundation in their estate plans.

Thank you for being with us today, and for another successful scholarship year!

*By Richard Berkfield, Jr.
