

Accessing the Discussion Board

Your instructor may include several ways to enter the Discussion Board area. The two most common ways of accessing the discussion board area are -

- Clicking on the '**Discussion Board**' button in the left navigation panel

- Clicking on the '**Communication**' button in the left navigation panel, then clicking on the '**Discussion Board**' link.

- Once you enter the Discussion board, you will see the different forums that your instructor has created for you to respond to. You can enter the Forum by clicking on the Forum name.
