

## The Virtual Classroom Toolbox

The classroom toolbox appears on the left-hand side of the Virtual Classroom. The tools are available by default to the instructor. So, you can see the tools being used but your instructor is the only one who has control of the tools unless you are given privileges.

The following tools are available in the Classroom Tool box:

<b>Tool</b>	<b>Description</b>
Course Map	Browse the coursesite
Whiteboard	Present information as you would on a white board in a classroom
Group Browser	Browse the Internet
Ask Question	Ask questions during a session.
Question Inbox	Answer questions asked by other users
