

Syllabus

Most instructors will post their syllabus under the 'Course Information' section. Although, instructors have the ability to post their syllabus in other areas within Blackboard.

- To access your 'Syllabus' click on the '**Course Information**' button in your left navigation panel

- Instructors can create a link to their Syllabus if it is a word document. Click on the link to the Syllabus to view the syllabus.

- Sample Syllabus

Educational uses of computers and related technologies
EDU 206 Section 002 Spring, 2003
