

Announcements

Announcements are presented on the course homepage. The first page you access after logging in will show the announcement. They will usually contain important information such as Welcome messages, exam reminders, changes in office hours, and other class wide information.

To access Announcements:

- From the course home page, locate and click on the "**Announcements**" button on the side tool bar.

- You will see the current announcement and any other previous announcement that your instructor may have posted for the class.

Welcome to the Student Orientation in Educator Basics

This self-paced orientation course has been designed to teach you how to navigate in your Educator course. If this is your first experience taking an online or augmented course, try not to feel too overwhelmed. It can take a little while to get accustomed to the online environment. Just take your time as you work your way through the course material and soon you'll start to enjoy the benefits of this type of delivery method.

In this course we'll cover the following:

Session One: Getting Started in Educator

Session Two: Accessing Course Materials

Session Three: Assignment Basics

Session Four: All About Assessments

Session Five: My Grades & Profile

Session Six: Communication Tools

Session Seven: Educator Online E-Mail

Session Eight: Additional FAQs

Session Nine: Tips for Success

To begin the orientation, click on the **Course Materials** link in the left navigation column. Then, choose **Session One: Getting started with Educator.**
