

Resource Center

The Resource Center gives you access to -

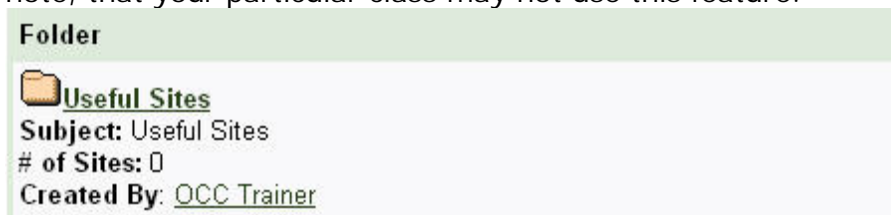

1. External website links and other resources posted by your instructor
2. The OCC Library website and the databases subscribed to by the college.
3. Student bookmarks which are external websites identified by students if this feature is enabled by your instructor.

To access the '**Resource Center**',

- Click on the '**Resource Center**' link in your left navigation panel.

- This will take you to a list of '**Site Folders**' that your instructor has created. Please note, that your particular class may not use this feature.

- Click on the folder name to see a list of websites that your instructor has compiled for the class.
