

## Accessing your Syllabus

Instructors post their syllabus within Educator so you can access and reference them at any point in the course.

- To access your syllabus, click on the '**Syllabus**' link in your left navigation bar.

- On the right hand side, you will see your course name, Instructor name and a '**View syllabus**' link. Click on this link to view your syllabus.

- To return to your course, click on the '**Return to course**' link.

**This is a sample syllabus.**
