The Chancellor's Leadership Academy is a semester-long leadership development program for OCC students sponsored by the Chancellor's Office and Student LIFE. The purpose is to develop leaders that make a positive impact on our society by developing a high sense of integrity and ethical obligation to self and others. Students who are selected will participate in workshops focused on 4 key areas of leadership.

1. Leadership and Ethics
2. Leadership and Diversity
3. Leadership and Communication
4. Leadership and Conflict

In addition, students who participate in this academy will also have the opportunity to serve on the Student LIFE Committee. This group meets on a monthly basis with faculty and staff from the college monthly to provide feedback on the OCC experience.

This is an exceptional opportunity to gain and refine your leadership skills, network with community leaders and be involved in active learning. Your participation in this program will also be a great addition to your resume!
