

Bring Your Group to M-TECSM

The Michigan Technical Education Center (M-TECSM) at Oakland Community College's Auburn Hills Campus is a unique, state-of-the-art educational facility built for business by business. Our learning environment is home to both training rooms and computer labs. Amenities include break-out areas, conference rooms, free internet access, complimentary coffee service, and dining facilities.

M-TEC labs are equipped with the Microsoft Office Suite software and have the capability to run training for:

- CISCO Networking
- MSCE/MCSA
- CATIA V5
- AutoCAD

Staying Connected –

From the moment you step into the lobby, M-TEC begins serving business. Surrounding the atrium, ergonomic convertible desks are fully equipped with connections to the Internet. During downtime, corporate employees can plug in to conduct business or check e-mail.

Full-service Support –

The corporate dining room allows you to host full-service daily events entirely on site. Use our catering service or your own. Full access to the kitchen and dining area during your group training programs is available at no additional cost.

M-TEC at Oakland Community College is located on the Auburn Hills Campus, which is near the M-59 and I-75 interchange. Enter M-TEC from Squirrel Road just south of Featherstone.

M-TEC is situated where we can best serve our customers in the Oakland County area –right in the heart of the business community.
