## CUSTOMIZED EMS CONTINUING EDUCATION

### COURSE DESCRIPTION:

Tailored to meet the needs of your agency's busy training schedule, the Oakland EMS Academy now offers classes at your department or a facility determined by your agency that will review the role of EMS providers in dealing with pre-hospital emergency situations.

Students will be brought up to date on current protocols while the made to order presentation will allow for a flexibility of topics that will best suit the needs of your department. Some subject matter that can be addressed is bloodborne pathogens, hospice care, paramedic assist protocols, AHA Basic and Advanced Cardiac Life Support, as well as extrication.

The student will receive both didactic and practical training, which complies with the NEW State of Michigan criteria for EMS continuing Education and the cost includes all instruction, books, cards and other ancillary materials.

**NOTE:** This course requires a minimum of 60 days lead time in order to allow for the state of Michigan approval process for instruction at an off site location.
