CUSTOMIZED MEDICAL FIRST RESPONDER

COURSE DESCRIPTION:

This Customized Medical First Responder Course is the same quality course which is offered on site at the Oakland EMS Academy. However, it offers flexibility in scheduling and location in order to meet your agency's needs.

The Medical First Responder Course teaches emergency medical skills that will enable first responders in the professions of law enforcement, security, safety, or firefighting to assist people who are suffering from a medical problem or traumatic injury. This course is state approved by the Michigan Department of Community Health. Participants that successfully complete this course will be eligible to take the National Registry Examination for licensure in the State of Michigan as an MFR.

NOTE: This course requires a minimum of 60 days lead time in order to allow for the state of Michigan approval process for instruction at an off site location.
