

DIVERSIFY YOURSELF

HUMAN LIBRARY

HOSTED BY THE HIGHLAND LAKES DIVERSITY AND INCLUSION COMMITTEE

Have you ever wondered what it is like to live with addiction? Or what it is like to be transgender in our society? Or what it is like being a Muslim in our society? Now, here's your chance!

Wednesday
MARCH 13, 2019
5 p.m. - 8 p.m.
Highland Lakes Campus
Student Center Arena

A Human Library is a collection of individuals who have been unfairly or negatively labeled and are available for "check out," creating a cross section of "books" that represents the diversity of our population. This allows "books" and "readers" to interact and learn more about people from all walks of life and hopefully break down barriers that are cornerstones of prejudice.

Please come to the Human Library to "Check us out."
