

Help!... I Have a Computer and I Don't Know What to Do Next! DESIGNED FOR SENIOR CITIZENS

Meet computer author and instructor Mike Wilson and follow along with him through your 100-page, easy to understand, step-by-step, large print take-home book. This "senior-friendly" 5-hour workshop is for recent learners and tinkerers! Learn hands-on as you watch Mike's demonstration from the large-screen.

Your patient instructor (who has taught thousands of seniors) will cover topics such as: basic computer terms, using basic e-mail, printing options, websites, using apps, copying and pasting, basic word processing & editing changes, transferring cell phone pictures, saving files, changing desktop backgrounds, keyboard shortcuts, virus programs, creating folders, and more!

Not for Apple/Mac users.
