

Free training available to qualified candidates starting October 2021

# Programmable Logic Controller and Robotics Technician Program

For additional  
information about this  
program contact:  
wfdev@oaklandcc.edu  
248.232.4000

Advanced manufacturing is one of the fastest-growing, high-demand industry sectors in Southeast Michigan, with thousands of positions open annually. If you have the interest and ambition, Oakland County Michigan Works! and Oakland Community College offer no-cost training to qualified workers. Take the first step in joining this career sector by attending a training program information session.

### Applicant Requirements:

- ✓ U.S. citizen or an eligible non-citizen
- ✓ 16 years-of-age or older
- ✓ Not currently registered in school within a local educational agency
- ✓ Registered with the Selective Service (if applicable)
- ✓ Unemployed or underemployed
- ✓ Other eligibility factors may apply
