

A Message from the Chancellor

Dear Students:

I want to provide you with an update to the email I sent you earlier today. As you know, this is a rapidly changing situation we are facing. We are focused on ensuring you have a successful semester, preparing our faculty and staff to serve you in new ways, and slowing the spread of infection.

Beginning Wednesday, March 18, 2020, all campus buildings will be closed to students and visitors, with the rare exception of a few laboratory classes. These labs will be cleaned and disinfected regularly to keep students and faculty safe.

All OCC student services will be available online and through other remote means such as email and phone. Online services available to you include:

- [Academic Support Centers](#)
- [ACCESS](#)
- [Bookstores](#)
- [Computer Labs](#)
- [Counseling](#)
- [Enrollment Services](#)
- [Financial Aid](#)
- [Placement Testing](#)

I want to thank you for your flexibility and understanding during this unprecedented time. We are doing everything we can to ensure you receive the instruction and support you need to finish the semester successfully.

If you have any questions regarding class changes, please contact your instructor(s).

Sincerely,

Peter Provenzano Jr.
