We know this has been a difficult time for you, and the OCC Foundation wants to help with special summer scholarships and emergency funds for students facing a financial crisis.

This summer the OCC Foundation is offering [The Garden Party Vocational Education Scholarship](#) with 200 scholarships available to students in the technical trades, health professions, and service academies. Simply complete our online [application](#).

In addition, OCC has a Student Success Fund designed to help students who are facing hardships that go beyond education. If you need assistance, you should talk with an [OCC counselor](#) to find out more about the Student Success Fund and other assistance available.

Please click on the [video link](#) below to hear more about the scholarship and emergency funds, and visit [Scholarships](#) for more information on all the OCC scholarships available.

If you would like to help your fellow students in need, you can also make a donation to the new [Student Empowerment Appeal](#) program.
