

Email Updates

Welcome to the Summer semester at OCC! We are excited to have YOU here and are ready to support your success this semester. Below are a few important tips to ensure a successful start to this semester:

Stay in Touch

- **Check your OCC student email often** – This is the one of the best ways for your instructor and OCC to communicate with you about courses and College information in a remote environment.
- **Log in to D2L** – Get information on your courses, email addresses for your instructors, and follow instructions for “*Navigating to Your D2L Course Site.*”
- **Download the OCC App** – Download the “*OCC Connect App*” from the [App Store](#) or [Google Play](#) for mobile access to your class schedule, email, student and academic resources and more.
- **Follow us on Social Media** – Connect with OCC on [Facebook](#), [Instagram](#) and [Twitter](#) to keep up with the latest news and virtual events happening this semester

Get Ahead with FREE, Online Academic and Student Support

OCC has all of the academic and student-support services you need, including:

- **Libraries** – Ready to help you with online research, free e-Texts updates during Coronavirus and 24/7 Ask a Librarian service, to name a few. Visit [Libraries](#) to get more information.
- **Academic Support Center** – Access free services to help you this summer, including:
 - [Tutoring](#)
 - [Online Seminars](#) - An excellent way to gain strategies that will help you be successful in college including effective note-taking skills, test-taking strategies, time management and more.
 - [Counseling](#)

Get Your Books and Supplies Online

Buy your books and supplies at the [OCC Raiders Store website](#) for competitive pricing, rentals and more!

Additional Online Tools and Support

Visit OCC’s website and link to [Current Students](#) for quick access.

Thank you for choosing OCC. We look forward to seeing you online this summer!
