SIMUMITION FX® SCENARIO INSTRUCTOR AND SAFETY CERTIFICATION COURSE

INSTRUCTORS: Staff Instructors or Adjunct Instructors from General Dynamics - OTS - SIMUNITION®.

COURSE DESCRIPTION - "Training for the Real World"™ prepares officers for the violent encounters they are likely to face on the street today. This unique, one-of-a-kind training program provides students with the hands-on experience using SIMUNITION FX® marking cartridges, SecuriBlank® Quiet and Loud cartridges, SIMUNITION® weapons conversion kits, SIMUNITION® protective equipment and the newest member to the SIMUNITION® product line, the Fitlight™ Tactical Training System.

Students are taught how to write scenarios and participate in scenario-based training as they learn how to incorporate SIMUNITION® technology safely and realistically into their training programs. This training now affords more time to participate in scenario-based training and less time in the classroom.

Duty weapons, live ammunition, live OC spray, impact weapons and knives are prohibited!
