I understand my enrollment status with the VA is determined by the number of credits certified. Credits taken but not certified will not be considered by the VA when calculating benefit rates.

I understand that I am responsible for ensuring that any unwanted classes – whether paid for or not – have been properly dropped. Failure to do so may result in an invoice for unpaid tuition and fees.

I verify that the preceding courses, which I have listed and have registered for, are required in the above stated program of study; **they have not been successfully completed previously nor have I received transfer credit for them.**
