Scholarship recipients' names are in regular font.

## ***A Message from the OCC Foundation Chair***

Thanks to the support of our donors, staff and students, we continue to move forward in the face of ongoing challenges. Without your help, we would not be able to empower OCC students to make their education accessible, dreams possible and goals obtainable.

In calendar year 2021, our donors created 21 new scholarships: 10 endowed and 11 annual. We are grateful to you who have entrusted your generosity and legacy to the OCC Foundation in the form of scholarships or other support.

During the 2021-22 academic year, we awarded over 600 scholarships to deserving students. The generosity of our donors allows us to sustain these numbers each year, making education and training at OCC even more affordable. Thanks to your support through these awards, our students are able to study in their field of choice and gain the knowledge they need to excel, transfer and graduate. These students join firms, businesses, schools, police and fire departments, medical and manufacturing facilities, kitchens and research labs - career choices without limit - adding to the well-educated workforce our community needs.

Though we could not gather in person to recognize the power of your generosity, accept our applause as we celebrate the success of our scholarship recipients! Within this booklet, you will find lists of the scholarships active in academic year 2021-22 and their benefactors and recipients. In addition, we have included a list of our Legacy Society members - donors who have named the OCC Foundation in their estate plans.

We appreciate beyond measure our donors' foresight, loyalty and generosity. Thank you for another successful scholarship year! We look forward to future celebrations.

*By Richard Berkfield, Jr.  
Chair, Board of Directors  
OCC Foundation*

*"Thank you for your generosity! I have loved being a student and my cup runneth over with the fact that you have invested in community college students. We aren't all 18 -year-old students. We have families - some with spouses, children, pets - and we work hard to accomplish additional goals during adulthood. We might already be in a great career field but see potential for growth. You helped make that growth possible. The gift of an education is something that remains with a person for life." - Maia Elgoghail*

**[oaklandcc.edu/foundation](http://oaklandcc.edu/foundation)**

Oakland Community College Foundation scholarships are offered to currently-enrolled OCC students without regard to race, gender, gender identity, color, ethnicity or national origin, regardless of the scholarship's title. For example, scholarships sponsored by women's organizations are offered without a preference or restriction based on sex, are open to all genders, and are awarded without regard to the sex of the applicant.

**OAKLAND COMMUNITY COLLEGE\***  
Excellence *Empowered.*\*
