2019 MILLAGE RENEWAL

DID YOU? KNOW!

The polls are

open from

7 am - 8 pm

Oakland Community College will have a millage renewal proposal on the ballot this November. The renewal will not raise local tax rates above current levels.

OCC serves an important role in advancing our community by offering programs in robotics, IT, health care, emergency services and advanced manufacturing to meet the demand for a highly skilled workforce.

We deliver an affordable, high quality education for students seeking degrees or certificates to launch or enhance their career. **OCC** is also the top transfer institution in Michigan.

The millage renewal proposal would provide **OCC** with \$45 million per year—about 27% of our annual budget—all without raising tax rates above current levels.
