

OAKLAND COMMUNITY COLLEGE

Computer Information Systems- Software Engineering Option (CIS.SWE.AAS)

Program Outcomes 2021-2022

Program outcomes represent broad areas of knowledge and skills developed over the duration of the **program** through a wide range of courses and experiences. These learning outcomes represent what a student should be able to know, think, or do upon successful completion of their program at Oakland Community College.

- **Students will apply knowledge, concepts, paradigms, or theories to the assigned task.**
- **Students will use critical thinking to understand and apply the basics of data structures.**
- **Students will use critical thinking to apply various computer languages for writing computer programs.**
- **Students will use critical thinking to develop web systems.**
