## **Dental Hygiene (DHY.APP) Program Outcomes 2021-2022**

**Program outcomes** represent broad areas of knowledge and skills developed over the duration of the **program** through a wide range of courses and experiences. These learning outcomes represent what a student should be able to know, think, or do upon successful completion of their program at Oakland Community College.

- **Students will apply legal and ethical principles to assigned case studies.**
- **Students can analyze, interpret, synthesize, and evaluate information before accepting or formulating an opinion or conclusion.**
- **Students can apply the information to engage in innovative problem solving strategies.**
- **Students will use critical thinking to apply theoretical knowledge to the practice of dental hygiene.**
