Emergency Medical Services (EMP.APP) Program Outcomes 2021-2022

Program outcomes represent broad areas of knowledge and skills developed over the duration of the **program** through a wide range of courses and experiences. These learning outcomes represent what a student should be able to know, think, or do upon successful completion of their program at Oakland Community College.

- **Students will demonstrate competency in didactic information provided in the courses**
- **Student will demonstrate competency in the performance of psychomotor skills associated with the national paramedic curriculum.**
- **Students will demonstrate proper affective behaviors throughout the paramedic program.**
- **Students will demonstrate the ability to synthesize information and data in drawing conclusions and solving problems.**
