Mental Health/Social Work (MHS.AAS)
Program Outcomes
2021-2022

Program outcomes represent broad areas of knowledge and skills developed over the duration of the program through a wide range of courses and experiences. These learning outcomes represent what a student should be able to know, think, or do upon successful completion of their program at Oakland Community College.

- Students will demonstrate knowledge and application of individual counseling skills.
- Students will demonstrate their knowledge and skills in group design, dynamics and facilitation.
- Students will demonstrate knowledge and application of group facilitation in a Social Work setting.
