

# OAKLAND COMMUNITY COLLEGE

## **Robotics/Automated Systems Technology - Programmable Controllers (ROB.PCT.CA)**

### **Program Outcomes**

**2021-2022**

**Program outcomes** represent broad areas of knowledge and skills developed over the duration of the **program** through a wide range of courses and experiences. These learning outcomes represent what a student should be able to know, think, or do upon successful completion of their program at Oakland Community College.

- **Students will program the logic structures for an automated system to correctly execute the application.**
- **Students will format and program the data elements Human Machine Interface (HMI) of an automated system application.**
- **Students will identify the connections between ideas and concepts.**
