Oakland University, a Michigan constitutional body corporate and institution of higher education located in Oakland County, Michigan ("OU") and Oakland Community College, a Michigan institution of higher education located in Oakland County, Michigan ("OCC") enter into this Reverse Transfer Agreement ("Agreement") as of December 10, 2012, effective Fall 2012.

1. Purpose and Goals.

This agreement is designed to facilitate the awarding of the associate degree via reverse transfer of credit from Oakland University to Oakland Community College for students who are either in the Oakland2Oakland (O2O) concurrent enrollment program or have transferred from Oakland Community College.

OCC and OU will maintain the integrity of their separate requirements and enter into this agreement as cooperating institutions.

2. Marketing & Awareness.

- A. OU and OCC will both communicate to students regarding the availability of this Agreement.
- B. Promotional plans and materials relating to the Agreement will be subject to prior approval by both OU and OCC.
- C. Students will be coded and tracked in the student information systems at both OU and OCC.

3. Program Management. Management of the Program will be coordinated through OU's Office of the Registrar and OCC's Office of the Registrar.

4. Advising. All advising for reverse transfer students seeking the OCC associate degree will be provided by OCC.

5. Registration, Exchange of Information and Transfer of Credits.

- A. Upon completion of 35 credits at OU, and to the extent permitted by the Family Educational Rights and Privacy Act of 1974 and its implementing regulations (collectively, "FERPA") and OU's FERPA policy, the OU registrar will provide OCC's registrar with a list of undergraduate students (name, address and date of birth) who are either concurrently enrolled or transferred from OCC.
- B. OCC will review the list to ensure that a minimum of 40 credits at OCC were completed and that a degree has not already been earned at OCC.
- C. OCC will then notify students who meet these criteria in an attempt to begin steps for graduation determination.
 - I. The student will be notified of the reverse transfer agreement and provided with information to complete an Application for Graduation.

The notification will clarify that submission of the Application for Graduation will serve as the student's simultaneous approval for OU to release the student's transcript to OCC.

- ii. Upon receiving a completed Application for Graduation back from the student, OCC will request the transcript from OU for evaluation and will determine if requirements of an associate degree have been completed by the student. If OCC degree requirements have been met, the student will be notified of eligibility, and graduation processing will occur for the student.
- D. OU and OCC will work together to develop electronic data Interchange Information technologies to facilitate the disclosure of Student education records between the Institutions.
- E. The transfer of credits between OU and OCC will be processed pursuant to the policies and procedures of the institution that would be accepting the transfer credits.

6. Term and Termination.

- A. This agreement shall remain in effect until such time as either party wishes to terminate; notice of termination shall be given in writing at least 120 days prior to the effective date of termination.
- B. Qualified students applying to OCC or OU during or after the semester of this document's signing shall be considered under this agreement.
- C. This Agreement will terminate automatically and without the necessity of any further action upon: (a) mutual written consent; or (b) the failure of either institution to cure a default in its performance of this Agreement within 30 calendar days of receipt of a notice of the default.

Notwithstanding any provision in this Paragraph or this Agreement to the contrary, OU's and OCC's defense, indemnity and hold harmless obligations are subject to and limited in all respects by the Michigan State Governmental Tort Liability Act, as amended, and nothing in this Agreement is intended to or can be deemed a waiver of

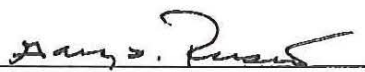

governmental immunity by OU or OCC. The obligations set forth in this Paragraph will survive expiration or termination of this Agreement.

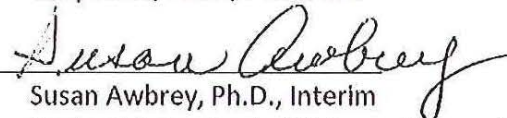

- B. Neither Institution may assign this Agreement without the other Institution's prior written consent. The invalidity or unenforceability of any term or provision of this Agreement will in no way affect the validity or enforceability of any other term or provision. A waiver by either Institution of any provision or breach of this Agreement will not waive any other provision or breach, nor will the same be deemed to be a waiver of any subsequent breach, either of the same provision or otherwise. This Agreement contains the entire agreement between the Institutions, and will be binding upon the Institutions and their respective successors and assigns. No amendment to this Agreement will be effective unless it is in writing and signed by both Institutions' authorized representatives.
