Oakland Community College will provide information on the associate degree application process. The notification will include the information that submission of the associate degree application will serve as the student's simultaneous approval and/or consent for WSU to release the student's WSU transcript to Oakland Community College.
- c. Oakland Community College will request WSU transcripts for students who complete the associate degree application. WSU will provide the requested transcripts to Oakland Community College {unless already provided through a WayneDirect agreement.} Students must be eligible to have official transcripts sent, e.g., not have an outstanding financial obligation to WSU.
